

2007 Tournament Team Application

This application is designed to solicit interest and availability of Pinto Division players who wish to be considered for tournament team play. We will be fielding one tournament team for each tournament on Memorial Day and 4th of July weekends. Qualified players can play on both teams. The teams will consist of 12 players and will be selected by Managers, Players and Pinto Division Commissioner in accordance with the OBA guidelines. Please be mindful that your submission of this application does not mean that your child will be selected to one or both of the tournament teams. Players will be selected based on their performance and availability. Parents **should not**, therefore, **advise their children that they will be selected to one or both of the teams simply because this application is submitted.** The Memorial Day team will be announced by the team manager and posted on the OBA website at the beginning of May.

To be considered for either tournament team, this form must be completed and returned to your Team Manager by April 25, 2007. **The submission of this application shall warrant a commitment** from the player and family that, if selected, the player/family shall invest the required time, energy and expense to be a full time team member. **This commitment should not be taken lightly.** There will be tournament team practices and practice games, in addition to regular team practices. Your Memorial Day weekend and 4th of July weekends will be consumed by games in Fremont. The 4th of July tournament will run Saturday, Sunday and final games on Wednesday with no games on Monday or Tuesday. The tournament experience is a unique opportunity for selected players to increase their level of competition against other youth teams in the Bay Area. If there are any questions, parents may contact Jon Conner, Pinto Division Commissioner by email, jon.conner@bnpparibas.com.

Please check the appropriate box or boxes below and return to your team manager by April 25, 2007.

YES, I want to be considered for a Memorial Day tournament team (May 26, 27 & 28, 2007)

YES, I want to be considered for the 4th of July tournament team (June 30, July 1 & 4, 2007)
